

Calvary Chapel Santee Harvest Sunday Event  
**3<sup>rd</sup> Annual Chili Cook-Off October 26**

**Deadline for Entry is Sunday October 19**

**BASIC INFORMATION:**

- Each team is responsible for cooking a minimum of 3 gallons of chili for judging and public tasting.
- Teams need to furnish an electrical cooking device, i.e. crock pot or hot-plate to keep chili warm.
- On the day of the event the Chili contest coordinator will need to know how *spicy* hot your chili is, you can give her that information by stating how many “Kicks” it is:  
**One Kick - Mild      Two Kicks - Medium      Three Kicks - Med/Hot      Four Kicks - HOT**
- **Contestants should arrive by 9:00am** (one hour before service) to setup their table; judging will begin after service ends at 11:30am and plan to be setup until 1:30pm.

**CONTEST GUIDELINES:**

1. All contestants are **REQUIRED** to bring: \*pot of cooked chili, \*list of ingredients to display, \*heating source, \*6’ table (let us know if you don’t own one), \*power strip and \*serving spoon.
2. All judged chili must be cooked at home and brought the day of the event, please don’t count on storing any chili at the church *before* or *after* Harvest Sunday.
3. Contestants are encouraged to decorate their table **BRIGHT** and **FUN** so the name of the chili goes with the theme of your table decor .... Decorating is not mandatory but really adds to the event ☺.
4. Each contestant will give out a 2-4 oz. cup of chili with a spoon for attendee’s to taste and vote on.  
Note: we provide the cup and spoon.
5. We recommend you use fresh ingredients since powdered flavors tend to get low scores.

7. Chili will be judged in categories:  
    “Best Chili”  
    “People’s Choice”  
    “Most Outrageous Table Décor that goes with the Chili Name.”

- 1) Best Tasting Chili for the **“People’s Choice”** Award

**A panel of 5 men & women** who will judge on the below criteria for the **“BEST CHILI”** Award:
